	138 kV Distribution Substation
	46 kV Distribution Substation
	138 kV Lines
	46 kV Lines
	Electric Distribution Lines

Construction Incentives

- Consumers Energy has construction incentives available to reduce or eliminate a customer’s upfront electric infrastructure investment. These incentives are based on a customer’s energy load and other service requirements.

For Additional Information

- Please contact Jeff Mayes, Director of Economic Development Strategy, at 989-667-5284 or jeffrey.mayes@cmsenergy.com.

All existing facility locations are approximate and not to be used for construction purposes. Always call 811 before you dig.

VALID AS OF 04/28/2016, SUBJECT TO CHANGE

WORKING TO DELIVER THE ENERGY YOU NEED, WHENEVER YOU NEED IT. **THAT’S OUR PROMISE TO MICHIGAN!**
